About us

We're Given – the agency for purpose-driven brands. Founded in 2009 to help brands and business become a force for good, we've shaped sustainability strategies, dreamt up integrated creative campaigns and built impactful brands – all with a laser focus on creating positive change in the world. Our work has helped national and international brands like IKEA, John Lewis & Partners, Lloyds Banking Group, Shelter, Aviva, Trainline, Calvin Klein, Yorkshire Water, Napapijri, Tommy Hilfiger, and many others, define and execute on their brand purpose. We fundamentally believe it takes both insightful strategy and imaginative creativity to change things for good, so we have both under the same East London roof.

We are growing approximately 40% year on year with a constant flow of incredibly talented, ambitious and smart people. We instill a culture based on trust, mutuality and belonging, and we strive to deliver a high performing, high support environment where everyone can thrive. We move fast, because the demand for our work pushes us to, and we aren't afraid to fail fast and keep going. We empower our employees to make decisions with no red tape and no fear of reprisal, as long as they take ownership and develop along the way.

Our first step will be a 30 minute phone call to understand a bit more about you and why you've applied.
